

November 9, 2004

To whom it may concern,

This letter is in reference to Correspondence Reference Number 28000, 731 Confirmation Number EA545604, FCC ID Number NSNEMSWPRFB. The purpose of submitting form 731 for a Class II Permissive Change for this device was due to the request by the Grant of Authorization holder to classify specific exhibits as confidential. The device in question was granted a Grant of Authorization on 11/13/02. On 10/27/04, the applicant had requested that specific exhibits become confidential, due to their proprietary nature, and had requested a Letter of Confidentiality. This, and a letter of explanation were submitted as exhibits to the Federal Communications Commission on 10/27/04.

If there are any further questions, please contact me.

Thank you.

Best regards,

Mark Lyon  
EMC Engineer
