Re: Request for Confidentiality

Applicant: Watkins-Johnson Company
FCC ID: NTTR810

To whom it may concern,

We request that certain parts of the type acceptance application for the referenced device be kept confidential and be withheld from public review. This request is made under the provisions of 0.459 et seq of the Rules.

Here are portions of this application for which confidentiality are requested:

Circuit block diagram
Circuit schematics

Rationale for request for confidentiality. Watkins-Johnson Company has invested time and materials in research and development to product the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

The \$130 fee for confidentiality has been submitted along with the fee for type acceptance. If you have questions or need further information, please contact the undersigned.

Sincerely,

James A. Mravca
Director of Cell Extender Products
