Re: Correction of Information Submitted with TCB Application

Applicant: Watkins Johnson

FCC ID: NTTSX1127

Dear Mike

The original submission indicated testing was performed at Compliance Certification Services in Morgan Hill.

The correct location for the radiated (15.205 and 15.107) testing was Cisco Systems, Building 7 EMC chamber.

The correct location for conducted measurements (15.407) was Watkins Johnson.

I apologize for the error.

Best regards
