Senior Engineer, FCC Application Processing Branch  
FCC Laboratory  
Columbia, MD

Re: **FCC ID NUF-200EVK-1202**

Applicant: **Time Domain Corporation**

Correspondence Reference Number: **24735**

731 Confirmation Number: **EA204856**

Dear Joe:

Time Domain had originally requested that the internal photograph and the users manual for the EVK be held confidential. After further discussion Time Domain has decided to submit a new users manual and not request it to be held confidential. Time Domain would also like to remove the confidentiality request from the "internal photos" as it had originally submitted.

Time Domain would however like for the schematics and block diagrams to remain confidential as originally filed.

Yours truly,  
s/Keven Trach  
Compliance Engineer
