Subject: Request for Confidentiality
FCC ID: NVA00004

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

- Schematic Diagrams
- Block Diagram
- Operational Description
- Antennae Specifications

The above mentioned documents contain detailed system and equipment information that are considered as proprietary information in operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant a short-term confidentiality request on the following attachments:

- External Photos
- Internal Photos
- Test Setup Photos
- Installation Guide

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best Regards
