

Federal Communications Commission
Authorization and Evaluation Division
1435 Oakland Mills Road
Columbia, MD 21046

Date: 1/20/2015

SUBJECT: FCC Application for FCC ID: NVA00010 & NVA00011

To Whom It May Concern:

We, the undersigned, hereby affirm that the frequency stability test data for these devices remain the same as for the model previously tested & certified under FCC ID:NVA00007 & IC:1204B-00007 since the RF circuitry of them is identical and nothing has changed except the digital portion so re-test is not necessary

Regards,

A handwritten signature in black ink, appearing to read "Clint Woodworth", with a long horizontal line extending to the right.
