

FCC ID: NW9 SKY SC S
MODEL: SC6208ACR

FCC ID: NW9-SKY-SC-S
MODEL: SC6208ACR

A black and white photograph of a circuit board, likely a keyboard controller or similar peripheral device. The board is populated with numerous surface-mount components, including resistors, capacitors, and integrated circuits. It is connected to various cables and connectors. A white label is affixed to the board, providing FCC ID and model information. The background is dark and out of focus.
