(1)	FCC Form 731 19-Oct-2011	Application for Equipment Authorization

Mr. Biggs,

In accordance with the requirements of the Federal Communications Commission Rules and Regulations, 47 CFR Part 87.147(d), Universal Avionics Systems Corporation hereby notifies the Federal Aviation Administration of its simultaneous filing with CKC Certification Services (an FCC TCB) of an Application for Equipment Authorization on FCC Form 731 of equipment intended for transmission in frequency ranges set forth in FCC rules Part 87.147(d)(3) which require FAA notification. The Application for Equipment Authorization covers Universal Avionics UL-801 Communications Management Unit, part number 10801-XX.

A copy of Form 731 is enclosed.

Please direct any questions regarding this filing to Universal Avionics Certification organization at the contact information in the footer of this letter.

FAA Action Requested:

✓ Please acknowledge receipt and acceptance of this application in accordance with standard procedures for your office.

Best regards:

Kenneth Lenger – Senior Certification Engineer
