In re: Radius Sweden AB  
FCC ID: NZCPDR  
Request for Confidentiality

To Whom It May Concern:

In accordance with 0.459 of CFR 47, Radius Sweden AB requests confidentiality for the schematics, layout (block diagram), and the bill of materials.

These documents contain detailed system and equipment descriptions about the product, which Radius Sweden AB considers to be proprietary, confidential, and a custom design, that would not release to the general public. Since this design is a basis from which future technological products will evolve, Radius feels that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Jeremy Hector
