

Label and Label Location

The label (see following page) is located on the outside of the Com Module as shown below. The label is bonded to the module using a permanent acrylic adhesive and has a clear plastic overlay to provide a permanent, durable finish.

Etiquette 101921

Dim : 78 x 38

Codification du numéro de série

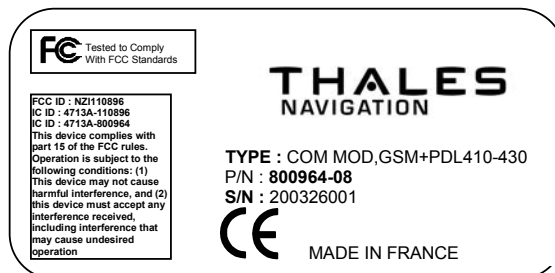

Numéro de série

S/N : YYYYWWNNN

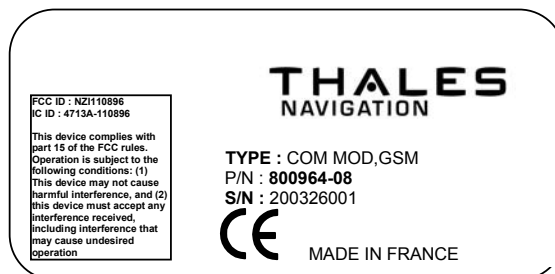

YYYY : année (2003)

WW : Semaine de fabrication
