**SPECIFICATION COMPLIANCE STATEMENT**

Engineer-in-Charge  
Equipment Authorization Branch  
Federal Communications Commission

The transceiver of type IHDT56DB2 has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that this equipment complies with the appropriate standards. Each unit manufactured imported or marketed, will conform to the sample tested within the variations that can be expected due to quantity production and testing on a statistical basis.
