1.) Regarding question 1 from your reply on 10/3/02 and 10/11/02 appears to be the same test report as the original test report. Submit a new test report that contains ONLY TEST REPORT DATA. Schematics, Users Manual, Board Layouts and Internal Photos SHOULD NOT BE IN THE TEST REPORT per your request for confidentiality.

The amended KTL test report (Ref: 2G5762GUS2) has been downloaded on the FCC website. All product drawings and related materials have been removed from the new test report with the exception of some pictures which are required in the test report for product identification purposes and cannot be removed. (new test report downloaded today)

2.) Regarding question 2 from 10/11/02 and question 4 and 5 from 10/3/02 has the same information as question 1.

For all other exhibits that contain pages of confidential material, please take this email as confirmation to hold the entire documents as confidential.

NOTE: Please do not respond to any questions until you have answered all questions including SAR test report.

The SAR test report (in 3 parts) has been downloaded on the FCC website today.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at www.fcc.gov, Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, in order to expedite processing, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
