

COVER LETTER /REQUEST FOR CONFIDENTIALITY

What's allowed on the FCC website

Advantra would like to have confidentiality on the FCC website for the following items:

- Schematic
- PCB layouts (component and copper layouts)
- BOM, PARTLIST

Other documents are allowed on the website, like the AR100 test-rapport (made by KTL).

Schematic and PCB layout are the key technologies of the AR100. Because of this we would like to have both confidential.
