

Test Setup Photo

WIFI /BT Antenna 1

The image shows the internal components of a laptop, including the battery, motherboard, and various connectors. A ruler is placed below the components for scale. The battery is a large, rectangular unit with a grid of circular cells. The motherboard is visible, showing various components like the CPU, RAM, and storage. A yellow box highlights a specific area on the motherboard, likely the WiFi antenna connector. The text "WIFI Antenna 2" is written in red at the top left of the image.
