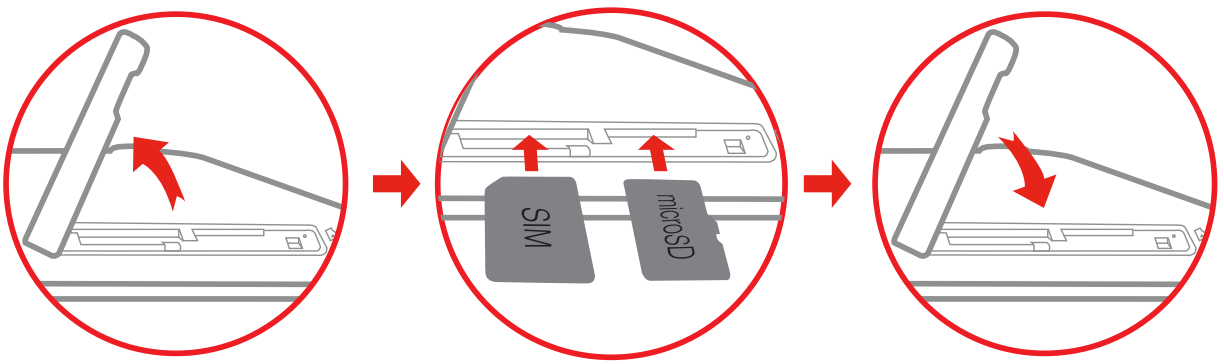
Installing the SIM card & microSD card

You can use cellular services by inserting the SIM card provided by your carrier services. Install the SIM card and microSD as shown.

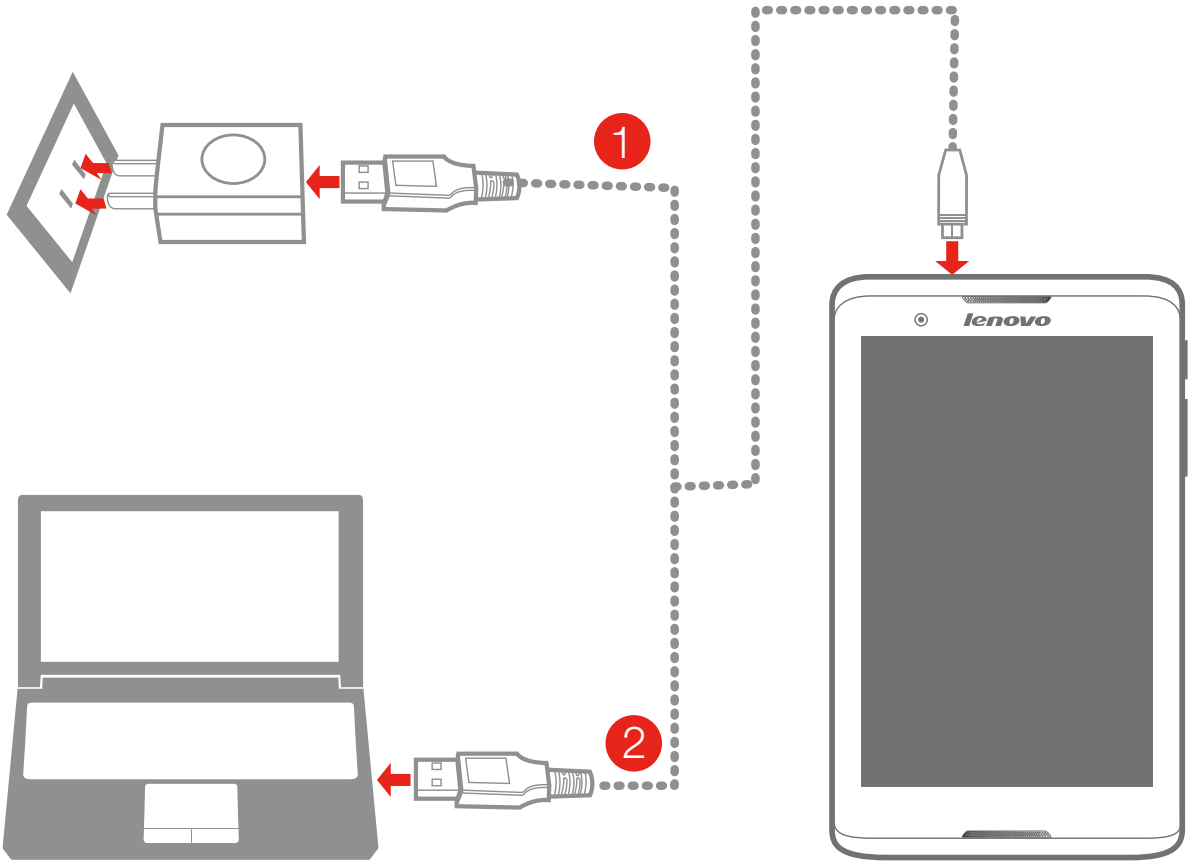


Step 1. Open the microSD card slot cover as shown.
Step 2. Place the SIM card into the SIM card slot and the microSD card into the microSD card slot.
Step 3. Carefully replace the slot cover.

Do not insert or remove the SIM card while your tablet is turned on. Doing so may permanently damage your SIM card or tablet.

Charging and turning on/off your tablet

Before using your tablet, you might need to charge the battery.
Charge the battery as shown.



Method 1. Connect your tablet to a power outlet using the included cable and USB power adapter.
Method 2. Charge the battery using a computer.

Low battery Charging Fully charged

For more information about battery safety, see the *Important Product Information Guide*.
