6731 Whittier Ave, McLean, VA 22101

September 26, 2001

RE: U.S. Electronics

FCC ID: O5JUSE000001

Please review my comments on this Application.

- 1.) The Internal Photographs and External Photographs could not be opened. Please take these respective Exhibits and insert into MS Word format, label, and convert to *.pdf
- 2.) The Test Setup photos must be separated into a it's own exhibit.
- 3.) The Block Diagram contains a mixture of both Schematics and Block Diagrams. Please resubmit only the Block Diagram portion.

William H. Graff
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
