Re: SFX Technologies Ltd

FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. SFX Technologies Ltd requests that the following documents regarding this submission for FCC ID:05QWOPRO be kept confidential:

Exhibit Type	File Name
Block Diagram	05QWOPRO Block Diagram.pdf
Schematics	05QWOPRO Schematics.pdf
Operational Description	05QWOPRO Operational Description.pdf
Part list	05QWOPRO BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which SFX Technologies Ltd considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, SFX Technologies Ltd considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Roger Arnold', enclosed within a hand-drawn oval.
