

Test # 277-01
Akoo, Inc. Link-it
FCC ID: O5UFMLINK

Rear of EUT with battery cover removed showing label location and text.

Test # 277-01
Akoo, Inc. Link-it
FCC ID: O5UFMLINK

Rear of EUT showing battery cover FCC label location, text and size is identical to the label inside the battery cover, however the surface of the EUT is convex and difficult to photograph.

FCC Label Engraving on
battery door. A second
engraving is located under the
door to make the label
permanent and always visible.
