RE: CONFIDENTIALITY REQUEST FOR LPV-01  
To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the Schematics, Block Diagram, and any detailed description of operation required to be submitted with this application be permanently withheld from public review.

The above information is proprietary, contains important trade secrets developed by us over a long period of time and is highly sensitive competitive information. The above information is never disclosed to customers or made available in the industry.

Please contact me if there is any information you may need.

Sincerely,

Balu Subramanya  
President
