## 2.2 **Operators' Manual Information**

2.2.1 The following information is inserted directly into the equipment user instruction manual to meet the requirements of product safety and Radio Frequency Interference (RFI) rules and regulations.

**WARNING** - For reduced unwanted RF emissions, use a shielded power cord to connect AC power to the host computer.

2.3 **FCC User Information** - Place the following statements in the front of the operators' manual so that the user of the EUT is aware of its interference potential. If available, provide additional information to the user about corrective measures.
