INFORMATION TO WHOM IT MAY CONCERN

RESULTS APPLICABILITY DECLARATION

We, SRT Marine Technology Ltd of Wireless House, Westfield Industrial Estate, Midsomer Norton, Bath, BA3 4BS, England hereby declare that the product Digital Yacht AIT 2000 Class B AIS Transceiver, being a Marine AIS CSTDMA Class B Transponder, to which this declaration relates, is a COBALT 011-0014 Module placed inside of an enclosure.

All reports for COBALT 011-0014 are applicable to the device Digital Yacht AIT 2000 Class B AIS Transceiver, due to the devices being identical except for in the Digital Yacht AIT 2000 Class B AIS Transceiver where the Cobalt module has been placed into an enclosure.

The device Digital Yacht AIT 2000 Class B AIS Transceiver enclosure is made from aluminium material and has been tested for EMC. Test report number B961TR1 applies.

EMC testing performed on the COBALT module is applicable to the Digital Yacht AIT 2000 Class B AIS Transceiver device. The COBALT module itself is contained within a fully EMC protected casing, so any EMC tests performed on the module are applicable to the module being placed within an enclosure.

All RF testing was performed on the COBALT module and is shown in TUV report number: 75912008 07, iss-2.

Radiated Emissions was performed on the module and is shown in TUV report number: 75912008 06, iss-1. And repeated on the fully enclosed product Digital Yacht AIT 2000 Class B AIS Transceiver and is shown in York EMC test report, number: B961TR1.

RF Exposure evaluation was performed on the module and is shown in TUV report number: 75912008 08 iss-2

Yours sincerely,
