Subject. PLATINUM GeForce2 MX Graphic Card

Dear sir,

We, Supermicro System Corp., are notifying you for our above graphic card. On our board we mounted 2 connectors : The one is for TV S-Video and the other is TV/DVD connector.

These both connectors isn't used now. These two connectors will be used for other special purpose in the future. As you can see on our board, we didn't mount some chip which is related for these two connectors.

If we will use these two connectors in the future, we will make any nessasary action related to FCC regulation.

Regards,
