1. We suggest adding note that Belt clip may vary depending on Model.

Manual Page 6 has been updated to indicate that the belt clip varies based on the model. This is the most sensible placement for this statement in the manual.

2. Also please upload the new external photos with the new belt clip.

External Photos with plastic belt clip uploaded.

3. Please remove the metal belt clip drawing on page 6 of 37 of the User manual. Please state what is the material of the belt clip.

Page 6 was modified to clearly reflect that different belt clips are provided for different models. It reinforces the model-specific warning statements on page 4.
