

User's manual

Product: JM1

Model: JM1L2S

For OEM integration only – device cannot be sold to general public.
Therefore we will not supply the User's manual, the installation manual is the official for OEM.

FCC ID: O8CJM1L2S

We will ask OEM to include the following Notices required by FCC on the product and in the User's manual.

7. FCC Notice

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

8. FCC Caution

FCC CAUTION

Changes or modifications not expressly approved by the party responsible for compliance, Zeemote Technology Inc., could void the user's authority to operate the equipment.

10. End Product User Manuals

The end product's user manual should include the following statements depending on type of the product.

Mobile Device:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines. This equipment has very low levels of RF energy that it deemed to comply without maximum permissive exposure evaluation (MPE). But it is desirable that it should be installed and operated keeping the radiator at least 20cm or more away from person's body (excluding extremities: hands, wrists, feet and ankles).

Portable Device:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines. This equipment has very low levels of RF energy that are deemed to comply without testing of specific absorption ratio (SAR).

The device types are defined as follows.

Mobile Device	Products operated in the distance more than 20 cm from person's body.
Portable Device	Products operated within 20 cm from person's body.
