

Palm Inc.
950 West Maude Avenue
Sunnyvale, California 95085-2801

To: American TCB
From: David Waitt
Subject: FCC ID: O8FMADECA
IC: 3905A-MADECA

Date: 8 Sept 2005

Attached you will find a FCC Class II Permissive change request to add HAC to the Palm Treo 650 CDMA smart phone. There have been no modifications made to the phone and a typical production phone was tested for compatability..

If there are any questions or if additional information is required, please contact me at david.waitt@palm.com
