Re: Letter of Authorization

To Whom It May Concern:

I, Philippe Dupont of WAVECOM, do hereby authorize, until further notice, Eric MICHEL of WAVECOM, to act on my behalf in dealings before the Federal Communications Commission with respect to matters relating specifically to the filing of an application for a Class II Permissive Change to our certified equipment FCC ID O9EQ2687 in order to allow its co-location with other radio equipment as specified in the filing. This authorization includes, but is not limited to, the signing of authorization letter and TCB agreement.
