Re: Letter of Authorization

To Whom It May Concern:

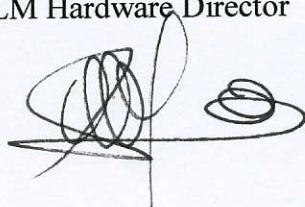

I, an officer of WAVECOM, do hereby authorize, until further notice, Jean Luc LE CORRE of TES ELECTRONIC SOLUTIONS, to act on our behalf in dealings before the Federal Communications Commission with respect to matters relating specifically to the filing of an application for a Class II Permissive Change to our certified equipment FCC ID O9EQ2687 in order to allow its co-location with other radio equipment as specified in the filing. This authorization includes, but is not limited to, the signing of Form 731. This authorization DOES NOT grant the authorized individual any rights of access to documents previously filed as Confidential exhibits for the original Grant of Certification (or any subsequent related filings).

I certify that no party (as defined in 47 CFR 1.2002) to this application, including myself, is subject to a denial of federal benefits, that include FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C., 853A.
