RE: Application for certification, FCC ID: 09R11M-PC-CARD, for a spread spectrum transmitter

Federal Communications Commission  
7435 Oakland Mills Rd.  
Columbia, MD 21046

Gentlemen:

This application is for a change in identification of a previously certified device. The original grantee is Eumitcom Technology and the unit was certified under FCC ID:LLM002WL1100-1 on 5/19/2000. Letters of authorization are filed as cover letters with this application. The original test data previously filed with the Commission continues to be representative of and applicable to the equipment bearing the changed identification specified in this application. The only difference in this equipment and the original equipment is the identification.

Sincerely,

Cetecom bvba/MD Office
