

**FCC ID:O9R11M-PC-CARD**

This device complies with Part 15 of the FCC Rules. Operation is Subject to the following two conditions. (1) this device may not cause Harmful interference, and (2) this device must accept any interference Received, including interference that may cause undesired operation.

The label above will be attached to the equipment bottom with a permanent adhesive. Alternatively, the compliance statement may be placed in the instruction manual due to space limitations on the card.
