Item 1: The person registered with the FCC to receive the grant is Manfred Dittrich. The mailing address is listed as Ludwigstrasse 16, PO Box 2140. This is the information that will be listed on the FCC grant. If the manufacturer would like to change this information, they will need to submit a letter requesting a change of name to the following address:

Federal Communications Commission  
Equipment Approval Services  
P.O. Box 358315  
Pittsburgh, PA 15251-5315

Customer is going to send a revised letter to the FCC

Item 2: Files such as PCB layout drawings, Assembly drawings, PCB component layout and Mechanical drawing of antenna can not be held confidential because a user can open the device and view these items. Normally only schematics, block diagrams and detailed technical descriptions are the only items the FCC considers to be confidential. Please revise the confidentiality letter to show only the type of items a user would not normally be privy to. The only documents required are the schematics, BOM, block diagram and technical description (which should include the information regarding the antenna).

Revised Letter was provided.

Item 3: Please provide an updated label in the following format:  
FCC ID: OA6KALESTO  
The colon is required to be in the label. See section 2.925

Revised Label provided

- Item 4: The FCC requires that a brief description of the circuit functions of the device along with a statement describing how the device operates be provided. This should include the information regarding the antenna. Only a block diagram was provided.

Operational Diagram Provided.

- Item 5: Please provide a photo of the PCB board with the 2 shielding covers removed.

Photo with shields removed were provided.

The items indicated above must be submitted before processing can continue on the referenced application. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) and forfeiture of the filing fee pursuant to Section 1.1106.

Note: Any corrections or additions to this report can only be made by a further document which meets the requirements of TCB0005 and such a document is to be labeled as a supplement to evaluation report serial number **E00-000506.**
