Subject: Additional documents USB dongle (BA-1000U)

Dear Tina,

Please find attached the additional documents for USB dongle.

The manual is quite clerer now and contains FCC information.

Label size is: 26.8(W) X 12.8(H) MM

Since this is quite small, on the label only FCC ID is printed. Additional information is sticked on the package material (file: label on package.pdf) and can be found in the manual.

If you have further questions just reply.

Additional Documents USB.zip

Best regards,
