Dear Andy:

Transmitted herewith, on behalf of J Communications Co., Ltd., is an amendment provided in response to the request for technical information dated April 6, 2001.

1. J Communications Co., Ltd. has informed us that they have decided to use various belt clips with the GMRS/FRS radio units. Instead of doing many SAR test, J Communications Co, Ltd. wants to include an RF Warning Statement in the users manual (see attached).

We trust this information is sufficient to issue the grant ASAP. If you have any further questions, please do not hesitate to contact us.
