Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: ISECURETRAC Corp

FCC ID: OAM5000BASE – Permissive Change

To whom it may concern,
Request is hereby submitted by ISECURETRAC Corp, to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

- Schematic_Base_Power_BoardR5_&_RepeaterRF1.pdf
- Block_Diagram_System5000.pdf
- Theory of Operation_5000.pdf
- Inside_Pictures_Base.pdf

Rationale for request for confidentiality:

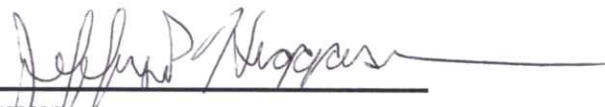

ISECURETRAC leases the devices and when service is needed it is done by ISECURETRAC technicians. The installation of these devices is done by agents trained by ISECURETRAC.

Further all the devices are monitored by ISECURETRAC software and personnel for performance.

Finally, these devices are going on individuals in the Criminal Justice System. We try to keep only absolutely necessary knowledge about the devices in the hands of these individuals. The availability of these pictures would provide them un-necessary knowledge.
