Reference: Telson FCC Part 95 Application for FCC ID: OBAUBZAL14
Confirmation # EA94670, Reference # 9029

Dear Mr. Dichoso:

In response to your letter of 8/2/99, our client checked the above product, FCC ID: OBAUBZAL14 with that of the originally granted product, FCC ID: OBAFR230; these units are not identical.

We would like therefore to request that this multiple listing application be changed to original application. New test report, photos, and documents are enclosed. The FCC identifier, FCC ID: OBAUBZAL14 remains the same.

Thank you very much for your consideration regarding this matter.

Regards,
