Subject: Fee Payment for Certification of a Class A Intentional Radiator per Part 15 of the
FCC Rules. **FCC ID: OCFMA-3002**

To whom it may concern,

Attached is the check to pay the fees for an intentional radiator and application for a grantee code. Please note the enclosed check is \$30.00 over the amount actually required. We have had to wait quite awhile to receive this initial check and the fees are already very late as it is. I did not want to risk having the application rejected due to fee problems so I am submitting the current check in the hope you will be able to refund the \$30.00 excess.

If there are any questions or problems please don't hesitate to contact me at the number listed above, or by email, chris@eclabs.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Byleckie', is written over a faint, larger signature that is partially obscured.
