Attn: Director of Certification

To Whom It May Concern,

We, Sonoma Communications L.L.C. hereby declare that the products of model A2, G1, G2, M1, M2, Q1 and Q2 are identical to the same PCB layout, interior structure and electrical circuits with the Model A1, which were tested by Shenzhen Zhongjian Nanfang Testing Co., Ltd. The only differences are the model names and their appearance for the commercial purpose.

Sincerely,

Frankie Sun
Manager
