Declaration

Subject: Project number: R1207114, FCC ID: OFJCW-1-12061202 declaration of IR port.

Dear Sir or Madam:

We, IDX Company, Ltd., hereby declare that our product Wireless Video Transmission System, Model Number: CW-1 has IR port which is used for the pairing of both TX and RX . Once registered the address data of TX in to RX unit then the pair works as uni-cast mode only. Also IR port is used for country code setting at factory prior to ship to each countries including USA. These setting are factory default and therefore consumer cannot access and modify these setting because IR controller is not available for consumer.

Please contact me if you have any question.
