- **FM Clock Radio Alarm**

Listen to FM radio or play music from your Smart device and still wake up with Alarm Clock.

- **Bluetooth**

Answer phone calls hands-free or listen to wireless music.

- **LED Night Light**

- **Remote Control**

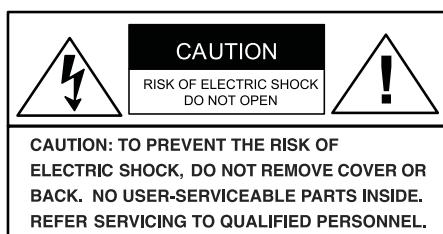

**Note:** Charges all smart phones and tablets of 5V from 0~2.1A.

## Warnings and Precautions

**WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.

**CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may result in hazardous radiation exposure.

**Caution Marking and rating plate was located at bottom enclosure of the apparatus**

This symbol is intended to alert you to the presence of uninsulated dangerous voltage within the product's enclosure that might be of sufficient magnitude to constitute a risk of electric shock. Do not open the product's case.

This symbol is intended to inform you that important operating and maintenance instructions are included in the literature accompanying this product.

Main plug is used to disconnect device and it should remain readily operable during intended use. In order to disconnect the apparatus from the mains completely, the mains plug should be disconnected from the mains socket outlet completely. (For apparatus with power cordset as disconnect device)

Battery shall not be exposed to excessive heat such as sunshine, fire or the like.

Location of label on the apparatus if that label was affixed under a lid or on the bottom of the apparatus with a mass not exceeding 7kg.

### MOISTURE AND CONDENSATION

If unit is exposed to moisture and extreme cold temperatures, then moved to a warm environment, condensation may form on internal components. Under these circumstances, powering the unit on may cause damage to the unit or cause harm to the user. Allow the unit to stand in a warm environment for 1 to 3 hours and allow the unit to air dry safely.

### WHEN IN USE

Do not use this unit in extremely hot, cold, dusty, or humid conditions.  
Do not restrict the air flow of the unit by placing it on carpet or covering.

### FCC Information

This device complies with part 15 of FCC Rules. Operation is subject to the following two conditions:  
(1). This device may not cause harmful interference.  
(2). This device must accept any interference received, including interference that may cause undesirable operation.

The distance between user and products should be no less than 20cm.

Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

Double insulation  
This is class II apparatus

### SAFETY

When connecting or disconnecting the AC cord, grip the plug and not the cord itself. Pulling the cord may damage it and create a hazard.

When you are not going to use the unit for a long period of time, disconnect the AC cord.
