Federal Communications Commission
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: OGR-LX3000.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Exhibit Type

Block Diagram
Circuit Description
Tuning Procedure
Schematic
Internal Photos

File Name

906UT14 Block Diagram.pdf
906UT14 Circuit Description.pdf
906UT14 Tuning Procedure.pdf
906UT14 Schematic.pdf
906UT14 Internal photos.pdf

We request confidentiality on the internal photos due to it being a non-consumer unit, for competition purposes, we have a design patent, each unit is protected with special screws that only we can service it, it contains special-warranty seals and it contains a protective design that could permanently damage the unit transistor if opened by anyone other than our service personnel.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application as outlined below:
