RE: Toughshield Devices Ltd. Confidentiality Request for:

- **FCC ID: OHV-R500**
- **FCC Part 22&24 Certification**

Dear Sirs / Madam,

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Toughshield Devices Ltd. requests that the following documents regarding this submission for FCC ID: OHV-R500 to be kept confidential:

Exhibit Type	File Name
Block Diagram	OHV-R500_Block Diagram.pdf
Schematics	OHV-R500_Schematics.pdf
Operational Description	OHV-R500_Operational Description.pdf
Part list	OHV-R500_BOM.pdf
Tune-Up-Procedure	OHV-R500_Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Toughshield Devices Ltd. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Toughshield Devices Ltd. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours faithfully,

A handwritten signature in black ink, appearing to be "Gabriel Tran", written in a cursive style.

Gabriel Tran
VP – Products Development & Planning.
