To Whom It May Concern

The BR1200 Bridge Radio with external antenna will be installed by professional installers. Our sales and marketing will utilize a network of value added resellers (VAR's) who are currently in the network and/or radio installation business. Each reseller will receive training from Wireless Manufacturing Company as to how to set up a given installation. Training to include proper alignment of antenna, grounding, and electrical connection.

Any questions in the future may be directed to the undersigned

Sincerely,

The block contains two handwritten signatures. The signature on the left is written in cursive and appears to read 'Lawrence'. The signature on the right is also in cursive, more stylized, and appears to read 'L. Pihl'.

Lawrence E. Pihl
