Re : DK-902 / 63-984 FCC and DOC

Thanks for your message dated 6/25/99. We completely understand the situation now.
We hereby confirm the following :-

- 1) Change R7 to 100K and added 470 ohm resistor from base of Q9 to emitter (for the transmitter portion of inside unit).
- 2) Outside unit : TX - FCC ID : OLTDK-902-T
RX - MODEL # : DK-902-T
- 3) Inside unit : TX - FCC ID : OLTDK-902-R
RX - MODEL # : DK-902-R

Best Regards,
Charlotte Cheng
