The FCC ID is not shown on the drawing of the identification label. Submit a revised identification label, via your electronic application EA94843, as appropriate. Also, indicate where the compliance statement will be placed on the device, pursuant to Section 15.19(a)(3) of the Rules. If the device is too small to be placed on the device, then it must be shown in the users manual. See Section 2.1033(b)(3) of the Rules.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at [www.fcc.gov](http://www.fcc.gov), Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
