SUBJECT: Request for withholding from public disclosure the schematic diagrams and system block diagrams pursuant to an application for certification

Applicant: TireUm International Inc
Product: Tire Pressure Monitoring Sensor
Model: SENS-ASSY
FCC ID: Not Available

Dear Sir/Madam,

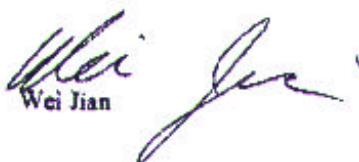

We, TireUm International, would like to request that the schematic diagrams and block diagrams, labeled Exhibit 6, submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules. This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b) of the Freedom of Information Act. These sections authorize as a withholding from the public inspection materials which be privileged as a matter of law if retained by the person submitting them, and the materials which would customarily be released to the public by that person.

The detailed confidential materials are listed as follows:

No.	Title
1	SENSOR SCHEMATIC

If you have any queries, please do not hesitate to contact us by phone at (905) 761-3393 or by fax at (905) 761-3396.

Yours truly,

Wei Jian
