Request for Permanent Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential which have been available to public since the ID was granted:

- Schematics
- Block diagram
- Operational description

We didn't know these documents were placed in the FCC public website until recently when we searched for our Authorization. But these documents contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors. Please remove them from the FCC website

Sincerely,

Jesper Ribbe, R&D Manager
