

FCC ID: ONXPAS01

This is to confirm that the Part 15.247 test report serial number UL-RPT-RP87708JD03A V3.0 used to support this application was originally used for the equipment certified under FCC ID: ONXGC364001.

Test report UL-RPT-RP87708JD03A V3.0 supports the certification application for FCC ID: ONXPAS01 for the 6 dB Bandwidth and Power Spectral Density requirements only. This is considered acceptable to demonstrate conformance of these two parameters for FCC ID: ONXPAS01 based on the manufacturer's attestation letter that states the electrical equivalence and minor difference between FCC ID: ONXGC364001 and FCC ID: ONXPAS01.

All other aspects are covered in test report serial number UL-RPT-RP87708JD06A V5.0 on FCC ID: ONXPAS01.
