COVER OFF – TWO BOARDS IN READER

TOP BOARD BACK VIEW

Two green PCBs are shown, held together by a white tape. The tape has printed text: VW-1, C 60V VW-1, 4 80C 60V VW-1, 2C624 80C 60V VW-1. The PCBs have various components, including resistors (222, 223, 224), capacitors (2C624), and a large black circular component. The PCBs are mounted on a white base with gold-colored traces and components.
