Re: Letter of Agency for FCC Compliance Testing

Please be advised that I appoint Peter J. Walsh, NCE of Walshire Labs, LLC to act as our agent in the preparation of this application for equipment certification and other FCC matters relating to the certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Federal Communication Commission's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the conditions of certification still resides with AXON Systems Ltd. Fraunhoferweg 17, 82266 Inning, Germany.

## Quotation for Regulatory Testing & Certification Services

Thank you for your interest in the services of Walshire Labs, LLC. Walshire Labs is pleased to provide the following estimate for regulatory testing and certification services. Walshire Labs will schedule and have the following services performed according to the requirements listed below. The price is based on the submittal of a compliant product. Upon completion of a positive compliance verdict, the test report(s) as defined below will be issued. This estimate will not be exceeded. If the product is not compliant, Walshire Labs will issue summary test data, and unless otherwise agreed to, the assessment will be closed. A new quotation will be issued for any re-assessment of the revised product.

### Description of the Project

#### AXON J1 FCC Part 15 Subpart C Test, Report, and Certification

##### Project Services:

FCC Part 15 Subpart C Test and Report on the AXON J1 wireless data transmission device for rotating applications, a 22 kHz / 10.7 MHz radio subject to Section 15.209.  
TCB Certification Fee

##### Cost in USD

\$ 2,250.00

\$ 500.00

**Total: \$2,750.00**

**Client hereby agrees to the terms and conditions as stated in this quote:**

Printed Name: Frank J. Schlote

Title: Director

Date: 11<sup>th</sup> of June 2012

## General Notes

- The current General Terms & Conditions contained herein shall apply.
- If, for any reason additional testing becomes necessary, Walshire Labs, in good faith, reserves the right to alter any quote or test plan to be in compliance with the authority by which Walshire Labs, LCC or its assigns tests or is accredited. The client will be advised in advance if these changes will result in any additional costs.
- The standards listed are only guidelines as to the general direction of the investigation. Final determination will be made by the assigned Engineer.
- This quotation is to be based on the testing of one model and one unit.
- It is understood that if required, destructive testing of the sample may be done, and by submission of the sample to Walshire Labs implicit permission for such testing is given.
- The client must provide all requested documentation necessary to secure FCC Part 15 certification.
- This quotation is valid for 60 days from the date listed above.

## Items Required to Begin Your Project

- Purchase order, AMEX authorization, cash or check in the amount of this quotation
- This signed quote acceptance form

## **GENERAL TERMS and CONDITIONS**

### **ARTICLE 1 - Services, Walshire Labs will:**

*1.1 Act for Client in a professional manner, using the degree of care and skill ordinarily exercised by and consistent with the standards of the profession.*

*1.2 Provide only those services that lie within the technical and professional area of expertise and capability of the Lab.*

*1.3 Perform all technical services in accordance with accepted laboratory test principles and practices.*

*1.4 Use test equipment which has been calibrated within a period not exceeding the manufacturer's recommendation and which is traceable to the NIST.*

*1.6 Consider all reports to be the confidential property of the client, and distribute reports only to those persons designated by the client.*

### **ARTICLE 2 - Client's Responsibilities, The Client will:**

*2.1 Provide all information necessary for proper performance of technical services.*

*2.2 Designate a person who is authorized to transmit instructions, receive information and test data reports, interpret and define Client's policies, and make decisions regarding technical services, as may be required at Clients expense.*

*2.3 Deliver without cost, representative samples of product for technical evaluation, together with any relevant data.*

*2.4 Furnish such labor and equipment necessary to handle sample product and to facilitate the technical evaluation.*

*2.5 The Client shall provide prior to the start of evaluation testing a signed Purchase Order for the amount agreed to by both parties.*

### **ARTICLE 3 - General Requirements.**

*3.1 The only warranty made by Walshire Labs, in connection with services performed thereunder is that it will use that degree of care and skill as stated in Article 1.1 and 1.3 above. No other warranty, expressed or implied, is made or intended for services provided thereunder.*

*3.2 Walshire Labs shall supply technical services and prepare reports based solely on product samples submitted. The Client understands that application of the data to other devices is highly speculative and should be applied with extreme caution.*

*3.3 Walshire Labs agrees to exercise ordinary care in receiving, preserving, and shipping any test sample to be tested, but assumes no responsibility for damages, either direct or consequential, which arise or are alleged to arise from loss, damage or destruction of the sample due to the act of examination, modification or testing, or technical analysis, or circumstances beyond our control.*

*3.4 The Client recognizes that generally accepted error variances apply and agrees to consider such error variances in its use of test data.*

*3.5 It is agreed between Walshire Labs and Client that no distribution of any test reports, etc. shall be made to any third party without the prior written consent of both parties.*

*3.6 Test Reports may not be used by the Client to claim product endorsement by NVLAP or any agency of the U.S. Government.*

### **ARTICLE 4 - Payment.**

*4.1 The Client agrees to pay for services and expenses as covered in the Purchase Order or modified by Article 2.2. Walshire Labs will present an invoice at the completion of work and shall be paid within 15 days of receipt by Client.*
