Re: request for confidentiality
FCC ID: OPLQ5C
Applicant: US Radar Inc.

To Whom It May Concern,

US Radar Inc. herein requests to permanently withhold portions of the equipment certification application from public view. Specifically internal photos, schematics, operational descriptions, and block diagrams.

This material contains information that could be of benefit to competitors. These are trade secrets and confidential information which is not available to the public.

Further justification for confidentiality is included in a separate document attached to this letter.

Thank you for your consideration to this matter.

Sincerely,

Ronald LaBarca
President
