Attention: Equipment Authorization Branch

Subject: Certification for FCC ID: OPVKRB1011047-1

Gentlemen:

Ericsson Radio Access AB. requests a grant of Certification under Part 22 of the Code of Federal Regulations (CFR) Title 47 for the above mentioned FCC Identifier.

This Multi Carrier Power Amplifier is designed for use in the Public Mobile Services, Cellular Radiotelephone Services (Part 22, Subpart H).

Ericsson Radio Access AB requests confidentiality under CFR 0.459. Confidentiality for the following exhibits are requested:

Circuit Diagrams

Circuit and Device Description

Photographs of the circuit board for the TRX unit

Justification of this request is in order to protect the large investment in developing this technology and to facilitate the circuit miniaturization utilized in this design and protect the innovative design as well as proprietary techniques which are implemented. In order to protect Ericsson's competitive advantage on these proprietary techniques, we request the above listed exhibits be held as confidential and withheld from the Public Information File.

The amplifier output power range is from 1 Watt to 50 Watts (47 dBm) (variable), and the gain is 30 ± 1 dB.

If additional information is needed, please contact me at the following numbers:

Telephone: +46 8 764 1804
FAX: +46 8 757 3150
